Subject: URJGENT Grant Award Notification - Bay Area Older Adults

Dear Dr. Anne Ferguson,

Thank you for the work that you do and thank you for sharing it with us through your application for an URJGENT Grant. After reviewing all of the amazing applications that were submitted, and getting significant feedback from our Community Review Panel, your funding request has been approved in the amount of \$15,000.

We created this program so that we could learn from our residents and our advocates about the issues you see in our County, and how you have sought to address these issues. We have learned a lot from the applications that were submitted and are grateful to support the great work of organizations like yours.

The County's budget process will begin next month and is currently set to finish in June. Funding is usually released in July or August. You will be required to be registered as a vendor with Santa Clara County and execute a contract to receive funding. Please continue to monitor your emails for more information.

Our team will also reach out to you in the coming weeks to get your feedback about the roll-out of the URJGENT Grant and how this process can be improved. We also want to learn more about your work and ways that we can be supportive. We hope to continue to work with you to serve the residents of Santa Clara County.

Please do not hesitate to reach out. We will be in touch soon.
